Curriculum Vitae

Profile

Nursing professional with extensive experience in clinical online education, research, management, business development, project management specific to education with vascular access, key opinion leader and subject matter expert, workshop trainer for vascular access devices, ultrasound guided needle insertion, competency assessment, hospital evaluation, legal expert witness, speaker, and writer with an extensive number of publications all specific to intravenous vascular access devices for adult and pediatric populations.

Experience, Employment History

Adjunct Associate Professor
GRIFFITH UNIVERSITY

May 2015-present
BRISBANE, AUSTRALIA

Chief Executive Officer/Administrator/Educator/Consultant
PICC EXCELLENCE, INC
HARTWELL, GA/JACKSONVILLE, FL

January 1994-present

Full-time working Owner and administrator of PICC Excellence, Inc. developing online education, learning management system, articulate software, consulting, and research on Vascular Access Devices. Responsibilities include online education development, research, speaker presentations, legal reviews, program development, consulting, application, and maintenance of nursing continuing education Provider Status, Certification initiation and ongoing management, insertion, and supervision of PICC lines, and other related intravenous devices. Educational offerings provided throughout the United States, Canada, South America, Europe and Asia. Clinical activities include PICC insertion, troubleshooting, dec clotting, and community assistance. Other responsibilities include legal case review specific to vascular access devices, pediatric, neonatal, and issues specific to PICC Lines.

PICC ACCESS
Jennifer Jones and Joe Cook

November 2021-Present
ATLANTA, GA

Insertion of catheters in contracted facilities using ultrasound guidance for PIV, midline, and PICCs.

INFINITY INFUSION NURSING
BELINDA TUCKER, AMY WRIGHT

July 2019-Present
GA AND SC

Patient visits per diem responsibilities for infusion of medications with catheter placement, ultrasound guided insertions for PIV, midline, PICCs and ports, monitoring, care and maintenance for peripheral and central venous catheters.

PICC/IV Team Staff Nurse
GREENVILLE MEMORIAL SYSTEM UNIVERSITY MEDICAL CENTER
RICHARD COLLOT, DON HOSKINS/ART ROBERTS/KAREN JOHNSON

November 2008-September 2018
GREENVILLE, SC

PICC and IV Team per diem responsibilities with catheter placement, ultrasound guided insertions for PIV, midline and PICCs, monitoring, care and maintenance for peripheral and central venous catheters.

ICU Staff Nurse
TY COBB MEMORIAL HOSPITAL
REGINA HOOPER

July 2003- June 2008
ROYSTON, GA

ICU Staff nurse with ACLS and BCLS credentialing. Maintained roles and responsibilities of RN in ICU.

"Nancy may be a worldwide consultant and expert in the Vascular Access community, but she also cares about what direction Vascular Access is heading in, and who will be leading the next generation of clinicians. While I may be one of many, it is an honor and a privilege to have been and continue to be one of the lucky people to have been taken under her wing. When you bring someone like Nancy in on your team you are

getting more than just an expert, you are getting someone that will not only lead and develop, but also nurture your company, your workers, and for a few lucky individuals, find a mentor. ”
 Matthew Ostroff
 Vascular Access Coordinator
 St. Joseph’s Healthcare System

“In all the years I have worked with Nancy the most significant characteristic that aptly describes her is continuous improvement. She is tireless in striving for knowledge and improving patients and healthcare professionals’ lives.” Sheila Inwood
 Director International Medical Affairs
 Carefusion

**Education Director
 NMC HOMECARE
 Joanne Ryan**

**November 1995-1997
 JACKSONVILLE, FL**

Special Project responsibilities, in addition to education for professional staff, orientation and other education related functions. Marketing and educational focus for subacute facilities. Flexible hours and responsibilities.

**General Manager
 OPTION CARE**

**February 1995-December 1995
 JACKSONVILLE, FL**

Mary Jalwin/Michael Bell

Began work at Option Care the early part of 1995 to reduce the negative losses of the Jacksonville office. Multiple improvements implemented including computer enhanced networked office with online service for complete clinical, pharmaceutical and accounting software package, specialized personnel training; inventory control; application of low-cost provider model; establishment of local billing; office relocation; net revenue from negative to positive figures avg 110% increase in 8 months. Upper management changed 5 times in 10 months. Redirected my energies to PICC Excellence business development.

**Intravenous Therapy Instructor
 IV THERAPY CONSULTANTS**

**January 1990-1994
 CLEARWATER, FL**

Kay Coulter

Program development and presentation for PICC, Pediatric IV Therapy, IV Education and CRNI Review classes. Continued with company until closure in January 1994. Owner Kay Coulter.

Independent Contractor/ PICC Consultant/IV Specialist

**1990-1995
 JACKSONVILLE, FL**

**VISITING NURSES ASSOCIATION/NMC HOMECARE/OLSTENS HOME HEALTH
 Anita Hennig/Joanne Ryan/Nancy Rice**

Worked in conjunction with twelve Home Health companies in Jacksonville for PICC insertion and management, IV infusions, IV support wound care and other visits. Carried full workload of 5-8 patient visits per day. Consulting included PICC insertion and monitoring, IV resource and education provider.

**Director of Nursing/Supervisor of IV Services
 CAREPLUS/CRITICAL CARE AMERICA**

**March 1986-September 1990
 JACKSONVILLE, FL**

Richard Greer, Pharm D

Administrative and supervisory responsibilities for IV nursing department and staff under Medicare and private home care services. Extensive inservice education instruction and speaking, as well as quality assurance and case management duties.

**Staff Visiting Nurse
 UPJOHN HEALTHCARE SERVICES**

**1984-1986
 JACKSONVILLE, FL**

Marietta Bostic/Amber Reid

Nursing responsibilities for Medicare and pediatric home care patients with focus on IV services.

**Pediatric Night Charge/NICU Staff Nurse/PICU
 UNIVERSITY MEDICAL CENTER**

**1981-1983
 JACKSONVILLE, FL**

Charlene Boyd

Nursing duties within two units, infectious pediatric or neonatal patients. Focus on IV insertions and management. Worked in neonatal intensive care completing extensive 16-week new graduate orientation.

Education

Bachelor of Science in Nursing

1978-1981

“I have known Nancy for over 25 years and have had the honor to observe her ongoing clinical and business development. Besides Nancy's clinical expertise, she is a visionary person with skills and talents that allow her to successfully implement programs and ideas. Nancy is diligent, organized, responsible and forever ready for more. I have seen her work, worked collaboratively with her, and heard others speak of how satisfied with her services. Nancy continually seeks to expand her knowledge base and stay abreast of advances in her areas of practice or expertise. I am pleased to recommend Nancy Moureau for consideration of any service or project she may be considered for.”

Ann Zonderman,
BSN, JD, CRNI.
Health Facility
Evaluator
Supervisor
California

EAST CAROLINA UNIVERSITY

GREENVILLE, NORTH CAROLINA

Baccalaureate program with four years of study, three combined years in Nursing.
Study Director for Nursing Math
Research Assistant - 2 years with Graduate Master's Program

Graduate Studies

1984-1986

UNIVERSITY OF FLORIDA AND JACKSONVILLE UNIVERSITY

JACKSONVILLE, FL

Pediatric Nurse Practitioner Master's Program. Accumulated Credits 20. Part time enrollment

Graduate Studies

1982-1984

CETEC UNIVERSIDAD

SANTO DOMINGO, DOMINICAN REPUBLIC

Health Sciences and Medicine. Accumulated credits 90. Transcripts available upon request.

Preceptorships in Multiple Hospitals in Santo Domingo, Dominican Republic. Baptist Medical Center
Obstetrics/Gynecology 9-week Externship 1984, Jacksonville, FL.
External activities: Christian Medical Society, Rural Clinic Mission Program, Swim Team

Graduate Studies

2008

SAINT JOSEPH'S COLLEGE

STANDISH, MAINE

Nursing Informatics

Doctor of Philosophy in Nursing Research

2015-2017

GRIFFITH UNIVERSITY

BRISBANE, AUSTRALIA

Doctor of Philosophy in Nursing Research, Vascular Access Research Department, School of Nursing and Midwifery 2017
Adjunct Associate Professor - Griffith University Health Institute Centre for Health Practice Innovation 2015-2020
Member of Alliance for Vascular Access Teaching and Research Group (AVATAR), Queensland, AU

Certifications/Specializations

- Board Certified Vascular Access VA-BC Association for Vascular Access 2010 current
- Certified PICC Ultrasound Inserter (CPU) 2009 current
- Certified Registered Nurse Intravenous (CRNI) Infusion Nurses Society 1987 current
- Ultrasound PICC Trainer, Basic, Modified Seldinger and Advanced PICC Trainer
- Vascular Access Specialist with Adults and Pediatrics, Critical Care and Intensive Care
- Home Health 16 years, Home Health Management and Supervisory
- PICC Program Surveyor with Train the Trainer Qualification
- Hickman Tunneled Catheter, Internal Jugular, Axillary, and Port insertion training
- PICC Line Specialist Training: MD Anderson, Houston, TX, January 1990

Professional Organizations/State Licensure

- World Congress Vascular Access Faculty (WoCoVA) since 2008, Chairman: International Consensus Forum to set Minimal Requirements for Central Venous Access Devices.
- Oncology Nurses Society

- Association of Vascular Access (AVA), National Board: Director at Large 2003-2005. Leadership Council 2005-2007. Committee work: selection of editor, executive director; Education, Publication, Public Relations, and Global Policy.
- National Association Vascular Access Networks (NAVAN), National Treasurer 2 terms 1997-2001.
- Infusion Nurses Society(INS) since 1985, President INS North Florida Chapter 1989-91
- League of Intravenous Therapy Education (LITE), Society for Interventional Radiology and Association for Vascular Radiology participation.
- INS PICC Instructor/Trainer Workshops 1991-92. Certified Registered Nurse in Intravenous through National Intravenous Therapy Association
- Registered Nurse Licensed through eNLC multistate licensure

Honors

- 1st Place People's Choice Poster Award: Lee Steere, RN, CRNI, VA-BC, & Nancy Moureau, RN, PhD, CRNI, CPUI, VA-BC; "Reaching One Peripheral Intravenous Catheter (PIVC) Per Patient Visit with LEAN multi-modal strategy: The PIV5Rights Bundle".
- 2nd Place People's Choice Poster Award: John S. Foor, MD, VACS, RPVI, Nancy Moureau, RN, PhD, CRNI, CPUI, VA-BC; "The Role of Venous Hemodilution, Flow and Impact of Valves in Retrograde Blood Reflux".
- 1ST PLACE POSTER at the 29th AVA Annual Scientific Meeting Poster #9-A: Clinical and Economic Impact of Thrombosis and Infection with Antithrombogenic and Antimicrobial Peripherally Inserted Central Catheter (PICC) 2015
- Herbst Award for Outstanding Excellence in Vascular Access 2014 Association for Vascular Access
- Nominated for the Susanne Herbst Award for Excellence in Research 2003, 2005, 2010 and 2012
- Reader's Choice Publication Award Recipient 2007 Complications of Vascular Access Device Terminal Tip Placement: A Case Study and Review of Subsequent Legal Action.
- STAR Awards for dedication to customer/patient /staff commitment 2005 and 2009 at Greenville Memorial Hospital
- Nomination for Robert Wood Johnson Executive Nurse Fellowship, 2000.
- Nomination for CRNI of the Year 1999, Intravenous Nurses Society.
- 2009 Presidential Who's Who for distinguished level of success in chosen profession Listed in 2007-20012 Princeton's Premier Business Leaders and Professionals.
- Who's Who Executive since 2002.
- Who's Who of International Entrepreneurs since 1997; Who's Who in American Nursing since 1993, American Businesswomen 1996.

Grants

- Research support from BBraun, Nexus, Parker Laboratories 2017-2022
- Grants for Research ESCAPE study from 3M, Cook and Entrotech for Griffith University 2016-2017
- Grant Research Recipient, Access Scientific, Online Midline Education 2013
- Grant Research Recipient, Genentech, Inc. Evaluation of Best Practice Hospitals 2011-2012
- Grant Recipient, Boston Scientific, Inc. Education Grant for development of online Advanced Ultrasound Training 2006
- Grant Research Recipient, Genentech, Inc. Principal Investigator for Home PICCOLO II Trial: Efficacy and Safety of tPA in Home Care Applications for Resolution of Thrombotic Occlusions. 2001-2004.

"Nancy is a great communicator, educator, and facilitator. She can sift through, often times, confusing and difficult situations to establish common ground from which a team or organization can begin building the right program that meets their needs. Nancy truly strives to be excellent and helps those she works with to be the same. Her, "can do" attitude presents a positive and constructive message for her colleagues and clients. Nancy, gets results and builds roads for sustainable results and outcomes. Beyond anything else, Nancy is genuine, and focused on making a difference in any way she can. She not only has a vision for the future of the Vascular Access Profession, but she has been instrumental in helping others to both create and share in that vision."

*Dr. Robert B. Dawson
Director of Education and*

- Grant Research Recipient, Genentech, Inc. Principal Investigator for Home PICCOLO I Trial: Economic Impact of Catheter Occlusions in Home Care. 2000.
- Abbott Educational Grant Recipient for National Focus Groups: Your Opinion Counts, 1999-2000.
- Abbott Educational Grant Recipient for Video Direction and Monograph Production. Multidisciplinary Management of Thrombotic Occlusions, 1999.

Presentations and Speaking Honor Highlights

- World Congress of Vascular Access: WoCoVA/SIAV Congress 2019 – São Paulo, Brazil Special Event. Titles: Relevance of the Exit Site, Michigan Appropriateness Guide for Intravascular Devices Pros and Cons, Evidence-based consensus on insertion of central venous access devices: Definition of minimum requirements for CVAD Training, The future of infusion therapy, technology and professionals of generation Z.
- Keynote speaker on "Deep venous thrombosis and vascular access. A difficult coexistence". National Congress of Vascular Access November 13, 14 and 15, 2019 at Kursaal Congress San Sebastián, Spain.
- Association for Vascular Access (AVA) National Conference speaker for Hemodilution and PIV5Rights, and abstract author 2019. 1) PIV5Rights: Linking Lean IV Therapy and Innovative Technology Toward One Catheter One Patient Care, 2) A System for Vascular Access: Vessel Health and Preservation Pathway of Care, 3) Venous Hemodilution, Flushing and the Impact on Medication Delivery and VAD Type: The Science and Evidence
- Keynote speaker Australian Vascular Access Society Parramatta, Australia. Walking the Line with Vessel Health and Preservation May 2019.
- Association of Vascular Access (AVA) September 2018 Conference Columbus, Ohio. Conference Speaker on Does the exit site matter in terms of bacterial load and risk? ESCAPE Results and Accidental Intravenous Catheter Dislodgement: Incidence and Perceptions of Safety at the Bedside
- Infusion Nurses Society (INS) National Academy Conference November 2017, MAGIC Panel: Appropriateness in VAD Selection and How to Apply the Recommendations
- Association of Vascular Access (AVA) September 2017 Conference Phoenix, Arizona Preconference speaker: Bugs on the Skin: Evaluation of Skin Colonization and Placement of Catheter Exit Site Research (ESCAPE).
- 3M Global Leadership Summit May 2017. Applying the MAGIC for Intravenous Device Indications.
- Keynote speaker. League of Intravenous Therapy Education Conference April 2017. Midline Indications and Usage.
- Association of Vascular Access (AVA) September 2016 Conference Orlando, Florida. Ultrasound Guided Peripheral Catheter Insertion: Asepsis versus Sterile Insertion; Evaluation of Skin Colonization and Placement of Catheter Exit Sites (ESCAPE).
- Asia 3M Speaker Tour, Japan and China July 2016. Vessel Health and Preservation: Applying the Evidence; Disinfection of Needleless Connections Systematic Review.
- World Congress of Vascular Access (WOCOVA) Lisbon, Portugal, June 2016. Presenting the Evidence on PICCs versus CICCs.; The Great Debate: Michigan Appropriateness Guide for Intravenous Catheters (MAGIC).
- Association for Vascular Access Keynote Speaker 2016 Brisbane, Australia. Vessel Health and Preservation: Applying Evidence for Best Outcomes with Vascular Access May 2016.
- Association of Vascular Access (AVA) 2015 First Place Poster Recipient Poster #9-A: Clinical and Economic Impact of Thrombosis and Infection with Antithrombogenic and Antimicrobial Peripherally Inserted Central Catheter (PICC). Other Submitted Posters: Simulation as a Process

Clinical Affairs

"I have had the wonderful opportunity to work with Nancy on numerous occasions. She is one of the best educators in the country and her expertise in vascular access is known world-wide. She has been a mentor, a co-worker, an advisor, and a sounding board throughout my nine years in this field and I trust her opinions like no other. Whatever the need, Nancy Moureau will meet and exceed it. She is simply the best, without a doubt. I endorse Nancy full-heartedly. I would not be the professional I am today without her."

- Enhancing Best Practice in Vascular Access speaker International Conference Addenbrooke's Hospital Cambridge University Hospital NHS September 2010.
- Association of Vascular Access Poster Presentation. Driving Clinical Practice to the Next Level: A Collaborative Project on Vessel Health and Preservation. 2010
- APIC Breakfast Symposium Infection the Risk is Real: Every Choice Matters speaker July 2010. Summer 2009, Spring of 2010 topics included Evidence-Based Practice for Intravenous Therapy, Establishment of IV Teams, Managing Securement for Care of Intravenous Devices
- Moureau N, Trick N. Vessel Health and Preservation through Clinical Pathways of Care Presentation: Association of Vascular Access 23rd Annual Conference, September 16th, 2009.
- Guest speaker, lecturer and trainer Gavecelt International Congress, Rome, Italy December 2007, 2009, 2011.
- Keynote speaker 3rd annual National Congress of Intravenous Nurses, Pamplona, Spain Oct 2008
- Guest speaker Gruppo Aperto 'Gil Accessi Venosi Centrali a Lungo Termine' Rome, Italy April 2008
- Keynote speaker 1st Congresso Nazionale Infermieristico Accessi Vascolari Pisa, Italy April 2008

“Nancy is passionate about educating others to provide the best care possible to patients with vascular access devices. She is recognized as a key opinion leader internationally in this specialty. She is an excellent speaker and connects well with her audience. She continually seeks out opportunities that enhance her career professionally and seeks to improve the care of patients, with vascular access devices, at the bedside. She has an excellent understanding of the challenges that face clinicians and patients in this area.”
